NATIONAL JUNIOR INTER-LEAGUE GRAND FINAL 2025

Chairman's Welcome

Hi all,

As Chair of Junior League, I am very pleased to welcome you to the 45th National Final.

It is always fantastic each year to see young swimmers competing in the pool, representing their clubs and leagues. We hope that this year will be better than ever, with some great racing and tight finishes and wish all our competing teams the best of luck.

We are pleased that we have again been able to Licence this year's final so that the individual swim times can go on the Swim England Rankings.

We thank you for your continued support for the Junior Inter League and are pleased to welcome a back Derbyshire & Nottinghamshire JSL to the final, after a number of years absence. Their representative team today is Nottingham Leander.

I'd like to thank all the officials team managers, coaches and volunteers without whose support we could not stage such an event.

The important thing for today, is that the swimmers enjoy themselves, win lose or draw!

Secondly if we can hear ourselves think on poolside then the crowd is not loud enough.

This is about enjoyment and a fun day.

Best Wishes

David Broome

Competing Swimming Clubs and League Profiles

Lane 1 – BLYTHE BARRACUDAS

Established in 2005 and now in our 20th year, Blythe Barracudas is a fast-growing, high-achieving swimming club, based in Solihull. We are proud to have been recognised as Swim West Midlands' Swimming Club of the Year, 2024/25.

From our Learn to Swim programme right up to our elite and national-level athletes, Blythe's focus is firmly on our families, our community, and developing and nurturing each swimmer to achieve their personal goals.

Blythe Barracudas is a safe, happy and friendly club where every member and every journey is valued.

League – Nuneaton & District Junior League

The Nuneaton & District Junior Swimming League (JSL) was the first league in the country for 'Diddy' swimmers. It was formed in 1974 when 12 local clubs got together and swam a series of galas to find the top Diddy Team. Today the League has 43 teams swimming in two divisions. It covers an area from Oswestry to Worcester and from Shrewsbury to the far side of Leicester.

The League is for swimmers from 9 to 12 years of age. They compete in three rounds from March to June prior to getting to the finals in September. Each Division has its own final comprising the top 8 teams. This year, there were 24 teams in Division 1 and 19 teams in Division 2.

Membership is open to everyone, especially residents of Hackney, Islington, City of London and other nearby London boroughs.

City of Leeds Swimming Club continues to thrive through its longstanding partnership with Leeds City Council High Performance Swim Training Scheme. The Leeds City Council Training Scheme is the Beacon Centre for clubs in the White Rose counties of North, South and West Yorkshire, as well as Humberside. This is a formidable league, where qualification to the second round of the competition is almost as hard fought as the Grand Final itself.

The team have been eagerly awaiting their ninth consecutive ride out to the Junior Inter-League Grand Final. The nerves and excitement provoke an enjoyment for competition that no other meet can rival. We really like the opportunity it gives our youngest swimmers to race people they have never met before, as well as bond with team-mates they never knew they had. We wish every team the best of luck in Corby today.

League – White Rose Junior Swimming League

Comprised of clubs from North, West and South Yorkshire as well as North-East Lincolnshire, the White Rose League possesses some formidable clubs from a wide catchment area. Whichever club progresses to the Northern and National Finals, the White Rose League is always sure to be well represented.

This year the club proudly celebrated its 100th anniversary, marking a century of community, competition, and continuous progression.

In the 2024–2025 season, Grantham was recognised with the Highly Commended Club Award by the East Midlands Swimming Association, reflecting the club's significant development both in and out of the pool.

This has been a landmark year of achievement. Grantham returned to the top of Lincolnshire Swimming at the County Championships for the first time since 2020 and won the Lincolnshire Junior League for the first time in the club's history. These results highlight the commitment of our swimmers, coaches, parents, and volunteers.

We are proud to offer opportunities for all swimmers to develop, thrive, and achieve success while building a sustainable, forward-thinking community club. Our pathway supports athletes from foundational stages right through to national aspirations.

As we head into the National Junior League Final, we do so with pride in our heritage, belief in our journey, and excitement for what the next century of Grantham Swimming Club will bring.

League – Lincolnshire Junior League

The Lincolnshire Junior Swimming League was formed in 1981 with just 6 teams from 4 clubs, although it is still one of the smaller leagues the intensity of competition remains high, and every year sees many exciting and keenly contested galas.

### ***League – Micro League North West***

*For over 40 years Micro League of the North West have been delivering a junior swimming league where the ultimate aim is to help develop clubs, volunteers, coaches, officials and, of course, young swimmers. This philosophy has resulted in the league being recognised for its development, organisation and structure.*

*The league has changed over these years, constantly evolving to ensure the league grows as the sport grows. Over the years the volunteers have worked incredibly hard with member clubs to implement a continuous evolving league to ensure the league doesn't stand still and grow stale.*

*As the numbers have grown and the competition has increased, the league relies on volunteers from all member clubs, but the aim is, and always has been, to ensure that all participants are treated as equal, whilst in a competitive environment.*

*Micro league of the north west has been the breeding ground for swimmers who have developed right through to elite international level, whilst, at the same time it has been able to ensure that young athletes have been given the opportunity to learn, develop and hone their individual skills as they grow in the sport.*

*We are extremely proud of our history, of our member clubs, of our volunteers and of course our athletes. It is the league's intention to ensure that strong competition for all young athletes, continues in the north west, for many more years to come.*
